*Merry Christmas and Prosperous New Year in Advance.*

Thursday, December 8, 2022.

Dear Esteemed Parents

We rejoice with the entire staff and pupils of our great School as we mark the end of the First Term in the 2022/2023 Academic year. It was indeed a long term, full of events and memories.

### **APPRECIATION:**

We give God all the glory for His mighty hand of success upon our school and we pray for more progress. Our special appreciation also goes to you our lovely and amiable Parents for your kind support and assistance in making us to achieve our goals and objectives for the term. May Almighty God keep blessing and enriching the coast of your income in Jesus mighty name.

The term in retrospect has been highlighted below:

### **INDEPENDENCE DAY CELEBRATION:**

In a grand style, the School Management, staff and the entire pupils of our school appeared in “green and white” in commemoration of our annual Independence Day Celebration. There were playlets, match past parade, games and practical historical tour which began from the British Rule to our Independence. Indeed, it was educative.

### **BREAKFAST WITH NEXTEN PARENTS:**

This year’s Breakfast with Nexten Parents was the second of its kind in the history of our great School. The idea behind it was to expose our parents to “Know All About Us” (KAAU) and to seek parents opinion, ideas and feedback that could help in the growth of the school. It was well delivered and parents’ attendance was overwhelming. Kudos to you!!

### **INTERNATIONAL LITERACY DAY:**

This took place on the 21<sup>st</sup> September 2022 in the school premises. Pupils made presentations of the various books they had read and those who were not opportuned to present theirs were encouraged.

### **DEWORMING EXERCISE :**

Our termly deworming exercise led by a team of health workers from NEIMETH INTERNATIONAL PHARMACEUTICALS PLC took place on Friday, 7th October, 2022.

### **INTERNATIONAL DAY OF THE GIRL CHILD:**

All the girls in the school appeared in their dream career attires which made them very special and unique on that day. They were assembled and celebrated like royal diadems. Moral Talks were given to them by the Etiquette and Poise Instructors as well as Educators from the English department.

## **WORLD TEACHERS DAY :**

This year's Teachers' Day was highly spectacular. As usual, the School Management hosted the teachers and the entire staff of Nexten School on the 5<sup>th</sup> of October, 2022 in commemoration of the teachers all over the world. Plaques and cash awards were given to teachers and other staff who were able to distinguish themselves from others as a result of their remarkable contributions in the lives of our pupils and to the School at large.

## **MATHEMATICS QUIZ :**

In order to produce scholars who have flair for Mathematics, an In- House Mathematics Competition which cut across all grade levels were organized. Preliminary stages which gives opportunity for everybody's participation took place in their various classes. The grand finale of the competition took place on Thursday 10th November, 2022 and valuable prizes were given to the winners by the School Management.

## **BIBLE QUIZ COMPETITION :**

Away from the usual academic attention given to our pupils, we also switched towards promoting the spiritual prowess of our Scholars. Hence, Bible Quiz Competition. Pupils across all grade classes were also given a fair chance to participate in order to bring out the best for the competition on the grand finale which took place on Tuesday, 15th November, 2022. At the end of the competition valuable prizes from the School Management were given to the winners.

## **OPEN DAY:**

This term's Open Day took place on Friday, 18th November, 2022. Parents attendance was massive as compared to the previous one. We encourage parents who did not attend to kindly attend the subsequent ones.

## **CLASS PRESENTATION:**

Our termly class presentation which was centred on the Theme of the Term "Insects and Bugs" took place in the whole of the 12<sup>th</sup> week of our resumption. It exposed our learners to the variety of insects and bugs across the world through research. It also created an avenue to test our learners' eloquence and public speaking. Videos of their presentation had been posted already to their class platforms. Kindly find time to watch them.

## UPWARD SCHOOL FEES REVIEW:

For a better service delivery, a slight upward review of our fees has been introduced. The new fees will take effect from Second Term 2023. We count on your usual understanding. Kindly see the teller for details. Thank you.

## RESULTS

Our pupils' results for this term will be published on Wednesday, 14th December, 2023. Parents are advised to visit the school portal ([www.nextenschool.com](http://www.nextenschool.com)) for their child(ren)'s results.

## CHRISTMAS PARTY:

This year's Christmas party was strictly teachers and pupils centred. Activities that will bring about fun, great joy and celebration have been earmarked for the pupils. We pray God for a favourable weather.

## VACATION:

The School vacates officially on Friday, 9th December, 2022.

## RESUMPTION

The School reopens for 2nd Term, 2023 on Monday, 9th January, 2023.

Thank you.

Management.

*Wishing You Merry Christmas & a Prosperous New Year.*
